

## *Volunteering*

The Lobster Carnival is looking for event coordinators and volunteers to help make this the best Carnival ever. We need help in ALL areas, as well as the fund raising events leading up to the carnival.

Please contact [Tanya MacKenzie](mailto:Tanya.MacKenzie@pictoulobstercarnival.com) or [Brian Burton](mailto:Brian.Burton@pictoulobstercarnival.com) at [pictoulobstercarnival@hotmail.com](mailto:pictoulobstercarnival@hotmail.com) or contact the Event Coordinator of the event you would like to help with if you are able to give some time to this year's Festival.

Our Volunteers all have a variety of backgrounds, ranging from professionals to students to homemakers. **Volunteers of all backgrounds are welcomed.**

Our meetings are held one evening each month which should last approximately an hour until we get closer to the date then they will become more frequent.

I do however want to stress to the public that this is your event and you DO have input and we very much welcome it.

If you have an idea you would like to share, something you feel should be looked at being changed or added, we welcome it. Send us an email, come to a meeting, but keep in mind, we are all volunteers and things may not get changed or added unless people step up to help out.

There are a variety of ways that someone can help out. Every event needs volunteers and it all costs money to run, as well as time to pull it all together. Our email is [pictoulobstercarnival@hotmail.com](mailto:pictoulobstercarnival@hotmail.com), our website is [www.pictoulobstercarnival.ca](http://www.pictoulobstercarnival.ca)

### **You can have fun while working this summer!**

With the help of funding, we will be hiring two summer students to fill Office Positions. We welcome all grades 10, 11, and 12 to apply as well as post secondary students. Something like this looks wonderful on a resume to prospective employers.
