a. Christmas Light Up

The last planning meeting was held on Tuesday and everything is set to go. Discussion was held on the parade (downtown route), Live Nativity, and other event details taking place on December 1st.

b. Outdoor Rink

Discussion was held on the outdoor rink; it was suggested to approach the Fire Department or Youth Centre to see if they would be interested in operating the rink. There is a grant available that we could apply for to help with the cost. It was also suggested to approach businesses to have hot drinks available on the weekends.

D. Porter will provide an update at our next meeting.

6. NEW BUSINESS

No reports provided.

7. INFORMATION SHARING

T. Schell reported on “A Day in the Life” event project which looked at accessibility issues within the Towns in Pictou County. Various individuals from all six municipalities of Pictou County participated including Mayor Ryan. It was surprising to see the number of buildings that were not accessible or presented challenges. A report will be available at a later date.
