

Pictou Fisheries Training Pool

Celebrating
40 YEARS

WELCOME BACK....GLAD to SEE YOU !

We are excited to begin the re-opening of the Pictou Pool. The safety of visitors and staff are a priority. The pool will have a progressive phased opening, meaning that not all regular pool programming and activities will begin immediately in September. The opening will follow guidelines set forth by the Lifesaving Society for the reopening of aquatic facilities. Many measures are being taken to ensure your safety:

- ⇒ Reduced capacity & phased programming
- ⇒ Enhanced cleaning schedule including sanitation measures between programs
- ⇒ Sanitizer stations and plexiglass protection
- ⇒ Visitor and staff screening measures including contact tracing procedures
- ⇒ Enhanced staff training program

Your visit to the pool will have a few changes in place to provide a safe and enjoyable experience for all:

- Registration is required for **ALL** programs at this time
- On every visit you will experience health screening at the reception desk
- Please remember your mask; masks are required in common areas (not in the water)
- Everyone is encouraged to come wearing your bathing suit; change rooms have reduced capacity to ensure social distancing;

Fall Swim Lessons

Red Cross Swim Lessons - Youth begins September 16, 2020

Private Lessons and Adult Lessons available; limited spaces
