Local Cruise Ship Committee Seeking Entertainers for Cruise Ship Performances

NEW GLASGOW, NS, April 10, 2015....The Pearl Seas Cruise Line is making a number of stops to the Port of Pictou this year, and there are opportunities for local performers to be hired for on board entertainment while each ship is docked during the visit. Ships are scheduled to visit in June, July and October.

"We are excited to offer this opportunity for our local entertainers," says GERALYN MacDONALD, Co-Chair of the Pictou County Cruise Committee. "The cruise line has asked we submit proposals from which they make the decision on who will be booked to perform on board. The talent in our community is abundant and we know that the passengers will thoroughly enjoy seeing these performances. Our local entertainers are an important part of what makes the Pictou Port a magical one and they represent and symbolize the rich culture and heritage of our region. "

Entertainers are asked to please send information, including a bio, video or audio sample (if available), and any special technical requirements and to indicate their performance fee to: Carlton Munroe, Program & Events Manager, Town of New Glasgow, PO Box 7, New Glasgow, NS, B2H 5E1 or by emailing carlton.munroe@newglasgow.ca.
