

**MURRAY HILL**  
**2003 VOLUNTEER OF THE YEAR**

Mr. Hill is currently involved in no less than 12 volunteer positions within our community. He's chairperson of the Sutherland Harris Memorial Hospital Foundation, the Pictou Academy Educational Foundation, the Ship Hector Foundation, and is a member of the Foundation for Pictou West Nursing Services. He is also the chairman of the St. Andrew's Presbyterian Church board of managers, chairperson of Pictou's 2003 Committee, a director of the Pictou Rotary Club, vice-president of the Pictou County Genealogy and Heritage Society, chairperson of the McCulloch House Committee and the chairperson of Pictou's Living History Committee. Mr. Hill also holds the title of Past Commander of the Pictou Yacht Club and the Past President of the Pictou Rotary Club. After completing his Masters Degree in Public Administration three years ago, Mr. Hill decided to dedicate the 20 hours that used to be committed to traveling to Halifax to attend classes and studying, to helping the community. He has stuck with that decision to the benefit of many organizations and to the residents of our community.

Thank you Murray!
