

Joyce Tucker

Joyce Tucker has been a dedicated volunteer in the Town of Pictou for many years and her efforts have helped many organizations within our small community. She has canvassed, and in some cases acted as coordinator for her area, for the Cancer Society, Kidney Foundation, Heart and Stroke Foundation, Parkinson's Society, United Way and Diabetes Society.

She was a founding member of the Pictou Housing Authority, she has volunteered for the Lobster Carnival and the Pictou-North Colchester Exhibition since the early 80's. Joyce has volunteered with the Pictou Garden Club, the Royal Canadian Legion Branch 16 and operates an unofficial tourist bureau at The Wash Tub Laundromat.

Joyce is one of Pictou's greatest good-will ambassadors and has been a past recipient of the Lieutenant Governors medal in recognition of her community spirit.

Thank you, Joyce, for all your hard work!
