

2006 PICTOU VOLUNTEER OF THE YEAR

DON MACISAAC

Don MacIsaac has been a dedicated volunteer in the Town of Pictou for many years. He is a member of the Stella Maris Catholic Church and has been tremendously involved with the church – he was previously in charge of ushers, made necessary changes to the Bulletin Board, co-ordinated the Pictou Pilgrimage to Quebec Shrines for 25 years plus and is presently the co-ordinator for the annual Cemetery Mass. Don will be forever known as the Pictou Historian with his huge collection of historic photos of Pictou which he has contributed to newspapers for over 60 years. He has also shared his pictures and write-ups with anyone who makes a request and has assisted authors, researchers, students and lovers of Pictou County. Don's work has also been recognized on the ATV Collector Program and the CBC Boys from Pictou. He was also awarded the Paul Harris Fellowship Award from the Rotary Club.

Don has volunteered for many years with the Meals on Wheels Program and he never misses a George Canyon event.

Thank you Don!
