

## **Town of Pictou Announces 2011 Volunteer of the Year**

Pictou-Dorothy Bush has been a volunteer with the Pictou Rotary Club since 1989 and has been costume mistress, responsible for collecting and sewing the wardrobe for the club's annual play which is a big part of Pictou County events. The role of costume mistress involves working from January to March of each year - it entails hours of research, shopping, sewing and fitting. Dorothy is also responsible for back stage maintenance of costumes and assists the cast throughout performances. This is a major commitment for any volunteer.

Throughout the community, Dorothy is a volunteer with Pictou United Church on the Christian Development Committee and is involved with Curriculum Development for the Sunday school. Dorothy volunteers at the IOOF Seniors Home, offering to help where she can with recreation activities and as a bus driver for outings. She also assists at the Sutherland Harris Memorial Hospital, Veterans Wing as bus driver on occasion. Currently she leads a monthly scrapbooking club for children at the Pictou Library. She is a creative leader, and is very kind and helpful in all she does. The Town of Pictou is very proud to have Dorothy represent us as our 2011 Volunteer of the Year.
