

## CODE OF CONDUCT

Pictou Recreation and Parks recognize that for our programs to be successful, safe, and fun, they must operate on the principle of respect for each other, the rules, boundaries, and safety guidelines.

Please review the following with your children:

### **Responsibilities of Participants and Parents/Guardians**

- Respect drop off and pick up times
- Respect yourself, others, property, and staff.
- Follow camp rules
- Adhere to instructions provided by staff regarding safety issues.
- Bring a healthy snack and lunch with plenty of water.
- Wear appropriate clothing including a hat, and proper footwear, and to bring a change of clothes, as well as sunscreen and a shirt to cover shoulders when playing in water.

Multi-Sport Learning Opportunities and Healthy Living are a big part of the Day Camp Program. Weekly activities will include nature exploration, various learning opportunities, inclusive games, and library activities.

The Town of Pictou is a registered HIGH FIVE® organization. Pictou Recreation staff receive this training to ensure that every child has a positive sport and recreation experience.

## HEALTH AND SAFETY

### **Safety is a Priority**

To ensure campers have a good experience; safety is our main priority. We ask that parents also speak to their children at home about ways they can stay safe at camp.

### **Sun Safety**

We spend most of our time outdoors and in the sun. To protect campers from harmful UV rays, we require that campers arrive wearing a hat and sunscreen. Sunscreen is to be sent from home. Application is then required after lunch and at 2 pm, resulting in a minimum of 3 applications per day.

### **Behaviour**

Our staff encourages participation, fair play, honesty, and fun! Bullying of any form will not be tolerated.

### **Healthy Eating**

All campers are required to bring water, a nutritional snack, and lunch each day.

### **Nut Free**

To ensure the safety of everyone, Pictou Recreation and Parks is a nut free environment to help reduce allergy risk.
