Volunteer of the Year
2021

Eric LeBlanc

Eric LeBlanc began volunteering in Pictou upon his retirement from teaching in Quispamsis, N.B. He expanded his initial care for his family by offering his organizational skills to his community. Eric was honored for his tireless volunteering by the Nova Scotia Legislature in February 2020.

Over the years Eric has been very involved in his church community in many capacities including the Cemetery Committee since 2007, organizing fundraisers, coordinating cemetery masses, and vault and grounds enhancements. He has been an active member of various community organizations in different capacities including the Stella Maris Parish Council, Knights of Columbus, Funeral Service Committee, St. Vincent de Paul, Pictou County Help Line, Pictou County Fuel Fund, the Pictou Historical Photography Society (founding member), Pictou West Food Bank, the Hector Centre and Sutherland Harris Memorial Foundation.

**The Town of Pictou is very proud to have Eric as our
2021 Volunteer of the Year.**
